PARENT/GUARDIAN: Please sign below.

I hereby give my permission for my child to participate as a Counselor-In-Training at TIC Summer Camp in a program of observation, discussion, practice in teaching and program skills, and the development of leadership. I understand that this training is over and above the usual benefits of camp attendance and agree to submit the normal camp application and payment of tuition. I also understand that completion of the training in no way guarantees future employment at TIC.
