Counselor-in-Training TIER ONE Application

TIC is eager to help develop successful students and leaders of the future. Participants will have the opportunity to practice vital leadership skills and learn how these skills can benefit them in the future. It should be understood that participants of the Tier 1 Program (formally know as the "Leadership Training Program") are still campers and must abide by whatever rules and regulations affect all campers. The deadline for applications is May 1st, 2019.

Please send applications to address listed above or email to leslie@ticcamp.com.

Acceptance notice will be sent to the email listed on this application.

I herby give permission for my child to participate in the Counselor-in-Training TIER ONE at TIC Summer Camp in a program of observation, discussion, and practice in leadership skills. I understand this training is over and above the usual benefits of camp attendance and agree to submit to the normal camp application and payment of tuition. I also understand this training program supplements the normal camp day.
