Counselor-in-Training TIER TWO Application

TIC is eager to help develop highly qualified camp counselors for future years. You will benefit from a program of leadership training which will enhance your employment prospects at TIC or other camps. It should be understood that a CIT (even in Tier 2) is still a camper and must abide by whatever rules and regulations affect all campers. The deadline for applications is May 1st, 2019. **Applicants should check their email regularly for acceptance notice and updates!**
Please send applications to address listed above or email to leslie@ticcamp.com.

Applicants applying for both Tier 1 & Tier 2 in the same summer may skip top section.

Please print and give this application to your parent/guardian for approval.

I hereby give permission for my child to participate in the Counselor-in-Training TIER TWO at TIC Summer Camp in a program of observation, discussion, practice in teaching and program skills, and the development of leadership. I understand this training is over and above the usual benefits of camp attendance and agree to submit the normal camp application and payment of tuition. I also understand that completion of the training in no way guarantees future employment at TIC.
